

“Building the resilience of Small Sized Enterprises through entrepreneurial, financial and business management training to cope with implications of COVID19”

REQUEST FOR QUOTATION TOOL KIT ISSUANCE

MAY, 2022

1.1 About Pamoja for Transformation

Established in 2009, Pamoja for Transformation is a national Non-Governmental Organization (NGO) registered in Kenya as a Trust. Pamoja envisions a Peaceful, just and prosperous society' with a mission to 'Support communities affected by conflict with resources and tools to move from crisis and poverty to peace and development'. Pamoja endeavors to contribute towards resolving structural and latent conflicts that commonly arise from weak governance systems, historical injustices, ethno-politics and economic inequalities through an integrated approach that combines peace building, participatory governance and economic development strategies to attain sustainable change. Our four main strategic intervention areas include: 1) Governance, 2) Conflict Transformation, Cohesion and Integration, 3) Enterprise Development, and 4) Institutional Development.

2.1 Background of the project

The main objective of the project is to enhance entrepreneurial competencies of existing small sized enterprises business owners to retain existing jobs, increase employment creation prospects, improve income and well-being of poor people in rural and peri-urban areas of Nakuru, Turkana, Nairobi, Migori and Kisumu Counties. The project will further enhance performance and business growth as well as increasing chances of job opportunities from the Small Sized Enterprises that will be supported.

Specifically, 252 women and youth small sized enterprise owners and employees will successfully strengthen their entrepreneurial, financial and business management skills, expand their businesses, increase their income, resist economic shocks and generate employment opportunities. Out of 252 small and medium enterprise owners, 50% (126) shall be women business owners.

The project further contributes towards the Sustainable Development Goals and targets of:

- i. Achieve and sustain income growth of the bottom 40 per cent of the population at a rate higher than the national average (10.1)
- ii. Achieve full and productive employment and decent work for all women and men (8.5)
- iii. Ensure equal opportunities for women in economic life (5.5)
